# Wasatch Fair

## this Week End

*Park City Record*

Thursday, July 31, is the opening day of the Wasatch County Fair which promises to be one of the best of county fairs. Activities and events have been planned for three days with the closing day on Saturday, August 2.

The annual Talent Show will be held July 31, 8 p.m. at the Civic Auditorium of the Wasatch High School and a very high interest by the county residents is indicated by the large number who have signed up for the competition.

Special entertainment for the show will be furnished by Tom Pike and Company who have toured such places as the Orient, South America and have participated in University of Utah productions.

The annual flower show exhibits will also be on display at the High School.

Two big parades along Main Street, Heber City, at 6 p.m. on Friday and Saturday are followed by a Wild West Rodeo at 8 p.m. at the Heber City rodeo grounds.

A variety of events have been planned for the entertainment of children, teens and grown-ups. Kids' races and games, tug-of-war, sixth annual junior fat stock show, livestock exhibits, horse races, calf roping, two fair dances plus the fun of carnival booth are a few.

The old country fair atmosphere is still alive in Wasatch County and the best way to describe the three-day carnival and fair is "Come prepared for a great time!"
